

Weekly report

1 Done.

1.1 RelationLine

System:

- Fix the trajectory data on my computer. However, the calling detail records are still missing. Therefore, we can run case 2 only.

Video:

- The first part introduces the data and reasoning scheme in the form of slides.
- The second part is the entire analysis process of case 2.
- I have found a website that could convert text into nice sounds.

1.2 Courseware

- Uniform the styles of all slides.
- Add dozens of figures to make slides look solid.

1.3 Vis Presentation

My final presentation will be on the morning of Oct. 5. Before that, I will rehearse on next Friday. The first version of the slide is ready. Next week, I will
